United Educators Credit Union Recognized on Forbes America's Best-In-State Credit Unions 2021 List

MENDOTA HEIGHTS, Minn. – United Educators Credit Union (UECU) has been recognized on the Forbes list of America's Best-In-State Credit Unions 2021. This prestigious award is presented by Forbes and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on June 24th, 2021 and can currently be viewed on the Forbes website.

Forbes and Statista identified America's Best-In-State Credit Unions 2021 based on an independent survey of approximately 25,000 US consumers who were asked to rate credit unions at which they have or previously have had checking accounts. Participants made recommendations regarding overall satisfaction; they also assessed banks in the following areas: Trust, Terms & Conditions, Branch Services, Digital Services, Customer Service, and Financial Advice.

Based on the results of the study, UECU is ecstatic to be recognized on the Forbes list of America's Best-In-State Credit Unions 2021.

United Educators Credit Union was established in 1957, providing a full line of financial services to Minnesota's education community & their families; those who live, work, worship, go to school or do business in Anoka, Dakota, Hennepin, Ramsey or Washington Counties; those who support education through membership in the United Educators Foundation; as well as other select employee groups. The credit union currently operates branch locations in Apple Valley, Coon Rapids, and Minnetonka.
